Thanking the front line respondents. At the moment, the company has served more than one million free coffee to first responders and front line responders who support the health sector. They can also access Headspace for full reflection and meditation CHILDCARE. We have temporarily expanded the Care@Work program to provide support for partners who need additional help p children as a result of school closure, which now includes the option for partners to choose an individual or Facility to help their children with distance learning. Non-retail Partners: Partners at the Starbucks Support Center (SSC) in Seattle were instructed to work remotely until December 2021, returning to the office in January 2022. Comprehensive care for our partners affected by Covid-19, including vaccine payments, mental health benefits and patient payment benefits, support, and support. day care and more. We continue to applaud and support our frontline response Cup funds for certain financial needs due to CoVID-19 Pandemic. Modify p for operation, or a temporary closure by transferring partners to other stores and providing payment of catastrophe in the center that partners cannot work due to the closing of the price shop, which now covers a minimum of two institutions when needed. A partner in the store in a shift or, through 2021, they are eligible to receive one free food item and one partner beverage. Partners can continue to sign up for a new mental health benefit through Lynn Health for 20 free sessions a year with a certified counselor or coach. All stores use the eÄÄAClean. Safe and Ready. A system to ensure the well-being of partners and customers, cleaning high touch surface areas as frequently. As it has, all non-retail domestic and international air travel will continue to require written evp approval during this period. Customers can order at the drive-thru or pick up an order placed ahead on the Starbucks app.Curbside pickup: Curbside pickup is available at select stores, check the Starbucks app for participating locations. Maintains a clean and organized workspace so that partners can locate resources and product as needed. Social distancing will be supported with floor markers in waiting areas, additional in-store signage and by limiting the number of customers in the cafÃÂA at a single time. Read below for an at-a-glance overview and, for additional details on how Starbucks is navigating through COVID-19, visit our blog. To prevent transmission and protect lives and livelihoods, Mercy Corps is providing hygiene supplies as well as vouchers, clean water filters and other assistance to vulnerable families during this crisis. These efforts have reached more than 200,000 people to date. Prior to beginning every shift, all partners complete a pre-check, including taking their temperature, to ensure they are ready and able to work. Enhanced cleaning measures: Starbucks is committed to caring for the health and well-being of its partners (employees) and customers and playing a constructive role in supporting local health officials and government leaders. The customers will then be greeted by a barista who will bring their order the car. Starbucks Delivers: In many U.S. markets, customers can also use Starbucks Delivers to have their Starbucks drinks and food brought to its door through ©s of Uber Eats. To use the harvest in the lime, you can place an order in the Starbucks application once the customer arrives at store, they can enter a parking space reserved for aMobile OrderCurbSide Pickup®. And in Line with the CDC's updated p, Starbucks strongly recommends that customers wear facial coverings while visiting our stores, regardless of vaccine status. Download the Starbucks app and join Starbucks Rewards to order in advance and pay. Using the Starbucks app, Rewards members can locate a store, place the order and pay and determine the most convenient pick-up option from the store, including in the store, in the store, in The door, drive-thru and crop in the square, when available. Moreover, as of August 5, all partners in the store operated by the company are required, regardless of the status of the vaccine, to use facial covers while on shift. Partner p: Starbucks is also taking p care of all partners who work in their stores to protect them and their customers. The responsibilities and essential p of the work include, but are not limited to: Acts with integrity, honesty and knowledge that promote Starbucks' culture, values and mission. In addition, Starbucks Foundation has donated more than \$1 million to feed Am ©rica's Covid-19 response fund and other food banks. I'm going to support the response of the CoVID-19 community, inspired and informed by Starbucks Partners. Keep calm behavior during high volume performances or unusual events to keep the store operating to the standard and give a positive example to the change team. We are dedicated to serving our communities on a through the lens of our mission and values: inspire and nourish the human spirit - a one face and one neighborhood at a time. We continue to closely monitor the guidance p local and national health authorities and will update our procedures as necessary to adhere to the most effective health and safety p. Follow health, safety and sanitation guidelines for all products. For your delivery, customers can allow a "manageable" transfer by adding a note for your delivery man to leave your order on the door. For instructions p how to order and store availability, visit entrega.starbucks.com/. Follow Starbucks operational policies and procedures, including those for handling and security, to ensure the safety of all partners during each turn. Recognizes and reinforces the individual and team us accomplishments using all existing organizational methods. Starbucks Foundation and Starbucks also helped Opera Gratid send care packages to support more than 60,000 © who are risking their lives to keep our communities safe. Fighting hunger: With the global coronavir pandemic, causing record unemployment and food insecurity skyrocketing everywhere, Starbucks is working with the food supply of Am ©rica to bring food to people who need it most. Communicate information p the manager so that the team can respond as needed to create the third place environment during each shift. Anticipates the needs of the customer and the store, constantly evaluating the environment and customers for tips. 16, many Starbucks locations have served their communities on drive-thru. The company continues to observe high cleaning and sanitation protocols that meet or exceed the public health guidelines and can help reduce the spread of Covid-19. While some locations may continue operating only on the drive-thru, others will expand their service to include grab-and-go or enter collection.
